

MILL 1

at OPEN SQUARE

welcome!

Mill 1 is proud to be one of New England's most uniquely historic venues: a nineteenth century paper mill turned Zero Net Energy (this means your event will not have a carbon footprint) event space for weddings, fundraisers, family gatherings & business conferences. Mill 1's beautiful sandblasted brick walls, exposed high ceiling beams, gleaming maple floors and stunning custom bar set the stage for your wedding, conference or family gathering while creating a serene neutral backdrop that can be simply or ornately customized to reflect your personality and style.

If you're looking for a wedding venue, imagine exchanging your vows in a gallery flooded with natural light, enjoying delicious food from one of our preferred caterers, then dancing the night away on floors built in 1848. And at Mill 1, you never have to worry about what the weather is doing because our indoor spaces ensure dry, comfortable guests while offering amazing photo opportunities you will cherish for decades.

Mill 1 hosts many group sizes: from smaller weddings of 50 to larger weddings of 200. We can also accommodate 300 conference attendees with classroom-style seating.

Mill 1 provides the reception and ceremony spaces, bar staff and a full bar menu, an event coordinator, and a private bridal suite. You select one of our preferred caterers who we've chosen for their professionalism and ability to create delicious fare.

There is never more than one event per day, so our staff is dedicated to attending to your needs. Out of town guests can be accommodated at a number of nearby hotels.

We look forward to creating an unforgettable event with you.

Warmly,

Mill One Staff
