

**The Wedding Day Sourcebook
Real New England Wedding Feature
Submission Guidelines**

The Wedding Day Sourcebook's Real New England Wedding Section features up to a four page photographic spread featuring a real wedding taking place in Western New England or a destination wedding with a couple or vendors with a relationship, living or working in Western New England. Destination weddings are defined as weddings within the New England States or national or international weddings where the couple come from Western New England.

Submission does not guarantee publication. Submission begins the creative process to collaborate and create an informative, inspirational photo feature for publication.
